Project Title	VAMOS_ VAlorising Migrants' experience to increase their Occupational Skills
Acronym	VAMOS
Grant Agreement Number	2019-1-ES01-KA202-065450
Intellectual Output	IO3
Author(s)	INCOMA

Introduction

VAMOS_ *VALorising Migrants' experience to increase their Occupational Skills* (2019-1-ES01-KA202-065450) is a 3-years project funded by the Erasmus+ program (KA2 – Strategic Partnerships) and its Consortium is composed of 8 partners from Spain, Italy, Greece, and the UK that have vast experience in EU-funded projects and are active actors working with migrant population and social inclusion.

The project aims to address the need, existing in all EU countries, to enhance the experiences of migrants to allow them to act as recognized professionals in the work and social inclusion of other migrants. Therefore, the project intends to promote:

- the labor integration of migrants who are already present in the territory social
- the labor integration of newcomers

Thanks to the VAMOS project, migrants and refugees will acquire specific competences such as intercultural mediation, career guidance, communicative skills, psychological support, basics on migration legislation, identification of arriving migrants.

Throughout the project lifecycle, the main project outcomes and final results have been:

1. **Professional Profile of the Expert in Migrants' Labor and Social Inclusion**, developed by identifying key competences and essential skills required for migrants' social and labor inclusion
2. **Assessment Tool** on the key competencies required by the Experts who will work for Migrants' Labor and Social Inclusion.
3. **Training course Expert in Migrants' Labor and Social Inclusion**: an innovative, and internationally competitive training program tailored to migrants.
4. **Guidelines for Newcomers from Migration Experiences**, which concerns procedures to guide, accommodate, support, and integrate newcomer migrants

These Facilitators' Guidelines have been created containing the most basic recommendations for facilitators and users of the online course and the e-learning platform. This document will provide instructions on how to use the e-learning environment, and how to make the most out of internet-based learning.

IO3. Training course: Expert in migrants' labor and social inclusion

- The training “*Expert in Migrants’ Labour and Social Inclusion*” will hold up migrants already resident in a certain hosting country in learning/improving competencies and procedures to guide, accommodate, support, and integrate other migrants when arriving in Europe, based also on their own experiences.
- The course will provide learners with specific competencies regarding:
 1. Cultural, psychological, and social skills, general competencies concerning the host country.
 2. Legislation, rules, and practical competencies in use for access to the labor market for migrants.
 3. Assessment of arriving migrants’ skills.
